Sango Students are TNReady

Next week, our 3rd, 4th, & 5th grade students will begin TNReady testing. The schedule they will be following is in the image to the right. The students and teachers have worked hard to prepare for this and we are confident their hard work is going to be evident as our students rock this test. Here are a couple of tips that will help your child do his/her very best on this test:

- Be sure your child is at school on time each morning. Being late can cause anxiety. Students need time to prepare mentally for the test each morning.
- Encourage your child to get a good night's sleep before testing.
- Be sure your child eats a healthy breakfast each morning of testing.
- If your child has a smart watch of any type, please have him/her leave it at home on the days of testing. These are not allowed in the testing environment by neither students nor adults.

TNReady Testing Schedule

April 9	ELA Subtest 1
April 11	Science
April 15	ELA Subtests 2 & 3
April 16	ELA Subtest 4
April 17	Math Subtest 1
April 18	Math Subtests 2 & 3

Proctor Information

If you are helping us proctor, we want to thank you for volunteering your time to help us out with this very simple, yet important task! On your first day of proctoring, you will need to be in the Library at 8:00 for a very brief training. This training will prepare you to do this very important job as effectively as possible. This will also be the time for you to ask any questions you may have. You will only need to complete this training one time (each year).
