WEDNESDAY

THURSDAY

FRIDAY

Curbside Meal  
Distribution for Virtual  
Students (weekend meals)  
1:00-2:00 p.m.

## THIS WEEK'S HEADLINES

### *First Week Complete*

The first week of school is complete and it was great! Teachers and students are getting settled in and virtual and traditional instruction has begun. It may look a little different, but we are so proud of the work that all of our teachers have put in to learn and create a conducive learning environment for all of our students.

### TECHNOLOGY

Our parents have been incredibly understanding and patient in regards to technology issues. We are still working to get those devices in your students' hands as soon as possible. Many of the devices have also had some issues with sound and connectivity. If your device is not working properly, please put in a work order and drop it off at Sango. If you are unable to put in a work order, we can do it for you when you arrive at school. We are committed to making sure technology does not stand between your child and his/her learning. Thank you so much for your continued patience as we work to provide laptops for every student in the district.

Sango would like to thank Publix and the community for your continued support. Publix presented Sango Elementary School with \$6740 last week. This money comes from parents becoming Publix Partners with Sango. For more information on how you can become a Publix Partner, click on the logo. Sango receives a portion of the sales when you are registered and provide your phone number at checkout.

# THE SANGO SCENE

**Order your yearbook by September 25, and the cost is only \$30. Also, if you order now, you can get up to four icons when you personalize your cover. Click on the image above for ordering information and personalization options.**

## COUNSELING CORNER

Our school counselors have worked to provide online resources to help you. The resources include ways to discuss coronavirus, information and coping skills for anxiety, depression, and other issues, watch parties and activities, and emergency resources and information, you may visit the [Sango Counseling website](#).

# THE SANGO SCENE

## Car Rider Information

We want to thank our parents for your continued patience in our Car Rider line.

We have been able to reduce the amount of time it takes to load and unload vehicles, but we need you to keep a few things in mind to help us out and keep the car rider line moving efficiently...

- Please be sure to practice your child's car tag number with your child. If your child does not yet know the car rider number, please write it on his/her hand.
- Everyone who is a regular car rider should have a car tag to hang from the rearview mirror. Please have your tag visible in the car rider line.
- If you do not have a car rider tag, we will check your ID before we put a child in your car.
- Please remain in your vehicle and have your child practice opening and closing the car door.

## K-12 VIRTUAL

CLARKSVILLE-MONTGOMERY COUNTY SCHOOL SYSTEM

### ● LEARNING MENTOR TRAINING ●

CMCSS is providing Learning Mentor training and a Learning Mentor website for our mentors and parents! It is important for all Learning Mentors and parents/guardians to complete the training by clicking the link below. At the end of the training, you will be asked to complete an acknowledgement form. This will include verification that you have completed the training as well as a request to read, review, and provide a signature for the CMCSS Privacy Release, Consent and Agreement for Virtual Classes and Groups.

**The deadline to complete the Learning Mentor Training was Sept. 1.**

**However, we see real value in the material provided within, so if you have not yet completed it, we strongly encourage you to do so.**
