VIRTUAL SCHOOL *Open Enrollment*

Each January, CMCSS provides an opportunity for parents to enroll their children in programs/schools that have open enrollment. If you wish for your child to be enrolled in Virtual School next school year, you must apply during this time. Parent information meetings will be held on the following dates

(Each date is linked to a Zoom meeting):

- [January 20, 2021 @ 2pm](#)
- [January 26, 2021 @ 6pm](#)
- [February 2, 2021 @ 9am](#)

Parents will be notified of acceptance to CMCSS K-12 Virtual on
April 15, 2021.

REMOTE LEARNING

As was communicated to you by CMCSS, all students in our district will be learning remotely until January 22 due to the rising numbers of Covid-19. The remote learning will be synchronous, which means students will receive live instruction via Zoom following the appropriate schedule below. In the event a teacher is unable to provide live instruction due to illness or previously scheduled appointments, pre-recorded lessons will be placed on the appropriate learning platform or in Google Classroom. If your child encounters any issues, you or your child may email the teacher.
