THIS WEEK'S HEADLINES

Not "Goodbye", but "See you soon"...

Well, we've almost made it through the most challenging school year ever. We have watched our students grow in many areas...academics, friendships, perseverance, and grit. While none of us would ever want to repeat another Covid-19 year, this experience has forced all of us to look at things through a different lens. It has caused us to demonstrate patience, kindness, and grace to others...something that we could all use a little more of. Parents, we can't thank you enough for the support you have shown us and your children throughout this school year. The patience you have shown has been remarkable...from technology issues, unexpected schedule changes, remote learning, to those calls letting you know that your child has been contact traced...you have taken every hit with dignity and respect. We are so thankful for you and how you have taught your children to handle the unexpected.

We hope, pray, and expect that we see a lot more of normal next year where we can work in groups and welcome visitors inside our building. But, until then, we wish you the best summer full of memories and we cannot wait to see all of our Panthers again in August.

If you have not yet returned both of your car tags, please do so this week. You will not be issued new car tags next year until they are either both returned or paid for. Lost car tags cost \$5 each.

PULL TAB COLLECTION

We will be collecting the pull tabs from soda cans next year. We would love for you to begin collecting them over the summer. They will be given to the Ronald McDonald House to raise money for families who need a place to stay while their children are in the hospital.

IF YOUR CHILD IS MISSING A JACKET, SWEATSHIRT, LUNCHBOX, WATERBOTTLE, ETC., PLEASE HAVE HIM/HER CHECK THE LOST AND FOUND. THERE IS QUITE A LARGE COLLECTION OF ITEMS THAT WILL BE DISPOSED OF BY WEDNESDAY AFTERNOON.

THE SANGO SCENE

Please be sure all library books and traditional students' computers/chargers are turned in.
