BOOSTER THON

It's here!! One of our favorite events of the school year. We are anticipating this year's Boosterthon to be extra special, since we were unable to participate last year. This is such a rewarding event for our teachers and students. The Boosterthon team shows up and engages with the students and motivates them through their daily huddles. The topics for this year's Sports City Worldwide theme are **CURIOSITY, CONFIDENCE, HUMILITY, PRACTICE, & ENDURANCE**. The members of the Boosterthon team encourage students to incorporate these character lessons into their daily activities. Throughout the week, the students will work to gather online pledges for the culminating event...the FUN RUN. The FUN RUN will be on Friday, September 17. During the RUN RUN, students will run/walk laps while parents, teachers, and the Boosterthon team cheer for and encourage them.

How will the funds be used?

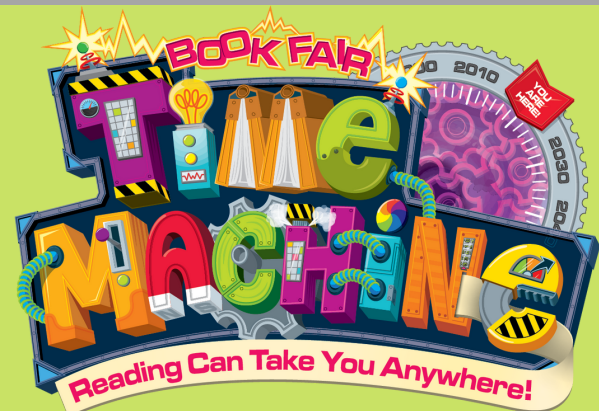

Our goal is to raise \$30,000 to purchase additional swings for our two smaller playgrounds and additional age-appropriate equipment for the larger playground.
