VOLUNTEER OPPORTUNITIES

PTO Info

Sango parents, we need your help! Volunteering with the PTO doesn't always mean a time commitment, sometimes it's donating items or assembling materials like our pennants for Boosterthon! Sign up for the following open volunteer opportunity by clicking on the title:

STEM CLUB SUPPORT

The STEM Club is in need of some more LEGO kits so that every student has an opportunity to participate. These fun LEGO STEM activities give children hands-on practice with science, technology, engineering and math – skills they'll rely on for years to come. Can you help?

Please be aware that student check-outs through the office end at 3:00 each afternoon. We ask that you refrain from checking students out early unless it is absolutely necessary. Our teachers are working as hard as they can to meet all students' needs, but they are unable to do that if the students aren't at school. We are working hard to ensure that every minute matters.

Important **INFORMATION**

Help us help our neighbors.

CAN the Assistant Principal

Our goal for the canned food drive, sponsored by CEMC, this year is to fill Mrs. Winn's office with canned/non-perishable foods. All students will work together to bring in/collect as many items as possible to support those who may have fallen on hard times. Please help us as we continue to teach our students so much more than reading and math...but also generosity.

Order your 2021-22 Sango Yearbook for \$30 for a limited time! The price will increase after this promotional opportunity! Click [HERE](#) to order yours now!!
