Volleyball (Session 1)  
3:45-4:30

McTeacher Night, 4-7  
Sango McDonald's

Sango Strings  
7:30-8:15

## Car Circle Request

We are doing our very best to run Car Circle as efficiently as possible, and we are asking for your help. Please refrain from being on your cell phone while in car circle. Not only does this slow down the process, but it is also illegal to be on your phone while driving in an active school zone. We are having to ask several parents to put their phones away so they can move forward. Thank you for your help as we continue to be as efficient and safe as possible.

### *Fidget Trading, Selling, and Auctioning*

As we are sure you are most likely aware, students have become quite fond of several different items they call fidgets. These may be fidget spinners, Rubics Cubes, Pop-Its, fidget boxes, etc.. We recognize that many students benefit from having something to keep their hands busy during instruction. We also are aware that students like to take these items to recess with them. A recent concern has come to light as more of these items are making their way to school. Students are trading, selling, and auctioning these items. Selling/auctioning items at school is not allowed and causes issues among students. Trading these items has also begun to cause issues, as students initially trade and then want their original item back. Selling and trading these items is not allowed at school. We hope you will join us in speaking with your children about this. If this continues to be an issue, we will have to ban these items.

# Important INFORMATION

**PTO Info**

## VOLUNTEER OPPORTUNITIES

Sango parents, we need your help! Volunteering with the PTO doesn't always mean a time commitment, sometimes it's donating items or assembling materials like our pennants for Boosterthon! Sign up for the following open volunteer opportunities by clicking on the title:

### TRUNK OR TREAT COMMITTEE

### STEM CLUB SUPPORT

The STEM Club is in need of some more LEGO kits so that every student has an opportunity to participate. These fun LEGO STEM activities give children hands-on practice with science, technology, engineering and math – skills they'll rely on for years to come. Can you help?

Click to join the PTO!

## BOOSTERTON INCENTIVES

Part of our Boosterthon activities included TikTok dances by each grade level and our Special Area Teachers. Click [HERE](#) to see those TikTok dances. Our 1st grade team was voted the winner of this contest.

Additionally, Mrs. Baker and Mrs. Winn agreed that, if we received pledges from all 50 states, they would allow the top 4 recipients of pledges to blast them with water balloons. That video can be seen [HERE](#).

# SANGO SUPERSTARS

## KINDERGARTEN

### Owen Rowe

Owen shows Sango Pride each and every day. He is a terrific role model and leader in everything that he does. If you follow Owen, you will also learn what it means to be a true Sango Panther.

## FIRST GRADE

### Ava Calles

Ava always enters class with a smile and works her very hardest at everything she does. Ava is respectful and follows directions promptly. Ava is always willing to help a fellow friend and Panther with anything they need.

## SECOND GRADE

### Yamila Rivas

Yamila is a student that comes into our classroom shining bright all throughout the day! I can always count on her to show positivity in our classroom by smiling, caring for her classmates, and using encouraging words. She consistently leads our class by doing the right thing whether it be in our classroom, on the playground, in the hallway or the cafeteria. She is always respectful and determined to do her best!

## THIRD GRADE

### Max Sherrill

Max is a super start student. He is a role model to all his classmates. He meets all expectations in the classroom and is always a friend to others. Max is always showing his Sango Pride!

## FOURTH GRADE

### Yezelia Rivas

Yezelia shows her Sango Pride every day by always being willing to help others, whether it is a teacher or student. She is a great friend to her peers. Being respectful is one of her best character traits! She shows integrity by doing the right things, even when she thinks no one is watching.

## FIFTH GRADE

### Joshua Pember

Joshua exemplifies Sango Pride in many ways! He helps daily with our laptops and computer cart without being asked. He is dependable, responsible and very polite; saying "Good Morning" every day. Joshua strives to do his best by asking questions, participating, and being prepared for class. He is a positive role model, demonstrating integrity and determination to do his best. He strives for mastery with IXL math skills and perseveres until he excels. Joshua is a great friend to others and a true Sango Panther.
