CITY SAVER *final numbers*

The final total for our City Saver fundraiser is \$23,825. We truly appreciate your support. Sango will receive 50% of the proceeds and will be able to fund multiple online subscriptions, as well as communication tools such as planners and take-home folders.

COVID ATTENDANCE UPDATES

We are really beginning to see a decrease in numbers of students who are absent for Covid-related reasons. It is critical that you contact Nurse Stephanie (stephanie.parker@cmcss.net or 931.358.4093) if you or your child is experiencing Covid signs and/or symptoms. Based on her evaluation, this will allow us to code student absences accordingly so they are not unexcused. Please be sure to contact her as signs and symptoms arise as we are limited on the time frame to evaluate each illness. If the nurse is not aware, the absences, without a doctor's note or parent note, will remain unexcused.

TWOSDAY...2/22/22

Some of you are currently singing this song in your head now, and some of you are too young to remember this popular song of the 80s. On Tuesday, Feb. 22, we have a unique, once-in-a-lifetime opportunity to celebrate TWOSDAY. We are inviting students to come dressed in 80s gear as we have this song as a schoolwide theme. There are no quitters at Sango. We want to encourage students and teachers to keep working hard each day. Keep trying and don't give up, Panthers!

Storybook Character Dress-Up Day

Students are invited to join us for Character Dress-Up Day. We ask that you don't go purchase a costume, but use items around the house to create one with your child. Our parents are some really creative people and we are always amazed with what you are able to come up with. So everyone can see student "costumes", we will also have a parade in the halls of the school. No pretend weapons or scary costumes may be brought or worn to school. It would be great if your child could also bring a copy of the book. This is one of our favorite days and the students look incredible.

AFTERNOON DISMISSAL

BUS DISMISSAL

We know the bus situation this year has been a little frustrating, but we appreciate your patience as we continue to navigate through it. If a bus is going to be late, that information should be communicated to you by the Transportation Department. We are unable to provide that information, as we are not always aware. Additionally, we are unable to inform parents as each bus leaves because the remaining students need to be monitored. As each bus arrives in the afternoon, we dismiss those students to the bus.

Once the last bus leaves campus, we will send out a message. If you have questions about when a bus departs, feel free to call our front office.

NEW CAR RIDER POLICY

If you do not have a Sango-provided car tag when you come through the car rider line, we will be checking your ID. We are no longer able to accept hand-written car tags or papers with the names of students. Please understand that this is for the safety of our students. We have encountered some situations recently that have forced us to tighten up on our practices and procedures. We appreciate your cooperation and patience as you come through the line.

MORNING DROP-OFF

We know many of you like to drop your students off in the front parking lot in the morning and walk them up to the building. Please be aware that the handicap spots must remain open for those who are handicapped. If there is no parking available for you to walk your child to the front, please use the car rider line for drop-off. All students entering the front of the building must be escorted by a parent.
