COVID Restrictions Lifted

It thrills our hearts that COVID restrictions have been lifted for multiple reasons, but we love seeing our parents have the opportunity to come into the school to volunteer and to eat lunch with their children. We have a few reminders for eating lunch in the cafeteria with your child:

- You may only have lunch with students if you are on their emergency card. Unfortunately, this means that students may not ask a friend to join them.
- Please refrain from sitting at the small tables that have "Reserved" signs above them. We have students who need to utilize those tables. We have Visitors' Tables for you to sit at. Our space is somewhat limited, so please be patient with us.

Storybook Character Dress-Up Day tuesday, march 1

Students are invited to join us for Character Dress-Up Day. We ask that you don't go purchase a costume, but use items around the house to create one with your child. Our parents are some really creative people and we are always amazed with what you are able to come up with. So everyone can see student "costumes", we will also have a parade in the halls of the school. No pretend weapons or scary costumes may be brought or worn to school. It would be great if your child could also bring a copy of the book. This is one of our favorite days and the students look incredible.

: Important **INFORMATION** :

COVID ATTENDANCE UPDATES

We are really beginning to see a decrease in numbers of students who are absent for Covid-related reasons. It is critical that you contact Nurse Stephanie (stephanie.parker@cmcss.net or 931.358.4093) if you or your child is experiencing Covid signs and/or symptoms. Based on her evaluation, this will allow us to code student absences accordingly so they are not unexcused. Please be sure to contact her as signs and symptoms arise as we are limited on the time frame to evaluate each illness. If the nurse is not aware, the absences, without a doctor's note or parent note, will remain unexcused.

P T O Updates

We are excited to report that we will soon have new playground equipment at Sango! Two new swing sets were ordered in January for the primary playground and should be delivered in July/August. Two "Ga-Ga" pits were delivered to operations for the intermediate playground and will soon arrive at Sango for installation. We will be asking for volunteers to help assemble the GaGa pits. The total amount for all equipment was \$23,102. Thank you to our Sango PTO, families, and community for all of your support!
