April is
Month of the
Military Child

In recognition and support of our military families, we are asking all students to wear purple on April 20. To our military families, thank you for your service.

Please be sure your child has an extra set of clothes in his/her backpack. This is for all students. Now that it is spring, we will be taking students outside more regularly. While we attempt to avoid the mud, sometimes children seem to find it. We are ready to take our students outside to enjoy the fresh air and sunshine.
