PTO CORNER (continued)

Field Day is quickly coming up on Friday, May 13. We are going to provide bottled water so all children stay hydrated and teachers don't have to worry about finding/mixing up personal bottles from home. If you are able to provide some water, please let us know via our [Sign Up Genius](#). We are also looking for volunteers to help hand out the water as well as a few additional items we're looking to borrow for the day (tents, baby pools).

Save the date for May 20! We are planning a big Family Movie Night event to wrap up the school year. We have secured a few food trucks to make the event even more fun! We hope to see you there. More details coming soon.

We really appreciate ALL the support you have provided to us, our teachers, our admin, our staff and our students this year. It takes a village and Sango has the best! If you have feedback or suggestions for next year, we'd love to hear it.

Stay in the loop on our latest announcements on Facebook!
