**We are so excited about this family event. PTO completed a trial run last week, and it won't be dark enough to begin the movie until 8:00. You are encouraged to bring outside/yard toys (no lawn darts, please) to play with until the movie begins. We hope this evening will be a great final family event to close out this 2021-22 school year.**

As this school year comes to a close, this will be the final Sango Scene. The teachers, students, and staff want to thank you for your continued support throughout this school year. You have demonstrated patience as we have navigated through the process of "returning to normal". While we regret that, for much of the year, you were unable to come into the building, the end of the year brought us so much joy as you were able to join your students for many events and activities. The work has already begun for next year. We are excited to welcome our Panthers again in August. Have a great summer and stay safe.
