Principals Kiss a Pig

Before Thanksgiving Break, Mrs. Baker and Mrs. Winn traveled to The Food Initiative, a non-profit organization owned by Michael and Regina Hampton, to make good on their promise. They challenged students to bring in 1000 items for our annual food drive. If we met our goal, Mrs. Baker and Mrs. Winn would kiss a pig. As usual, our families showed up and brought in over 1100 items. While we know it is entertaining to watch their principals kiss a pig, the generosity of our Sango family is the take-away from this event. These items have been donated to local organizations to supply food to those in our community who may be struggling to make ends meet right now. Thank you for your donations and for demonstrating for your children how to care for others. To see the complete video, follow us on Facebook and/or Instagram.
