## AN IMPORTANT MESSAGE FROM SRO SACCO:

Hello Panther Family,

The safety of your child and the staff at Sango Elementary is my top priority.

With that in mind, I want to take proactive measures to ensure the safety of each and every member of the Sango family. With the help of our school and PTO, we have already been able to purchase 50 CAT tourniquets. These tourniquets will be a part of an "emergency bag" that will be housed in every classroom at Sango. This [Amazon link](#), or the QR code below, provides a list of additional items that we would also like to include in the emergency bag. We are asking for your help in purchasing these items. With your help, Sango Elementary School will be prepared for any natural and/or manmade disaster.

Thank you for your continued support.

-SRO Dominick Sacco
